ORDER

23 Civ. 09691 (JPC) (GWG)

**GABRIEL W. GORENSTEIN, United States Magistrate Judge:**

Before the Court are the parties' letters related to two discovery disputes. See Letter, filed May 15, 2024 (Docket # 116); Letter, filed May 17, 2024 (Docket # 117).

With regard to the issue of document production, there has been enough activity since the original meet and confer (including a promise by defendants to correct any "format issues"), that the Court believes it would be more efficient for the parties try to resolve this issue without Court intervention. Accordingly, the application on this point is denied without prejudice to a new application compliant with paragraph 2.A of the Court's Individual Practices in the event the parties cannot resolve the dispute themselves.

As to the inspection issue, plaintiffs have leave to file a reply letter responding to defendants' arguments on or before Wednesday, May 22, 2024.

SO ORDERED.
